Subject- Spread Smiles with Charity Drive

At Satyug Darshan Institute of Engineering and Technology (SDIET), we believe in the power of kindness and the joy of giving. This new year let's come together to make a difference in the lives of the elderly and those in need by participating in our Charity Drive 2024-25.

Imagine the happiness a small gesture can bring—warm clothes to shield someone from the cold, books to inspire young minds, or even a simple act of sharing basic items.

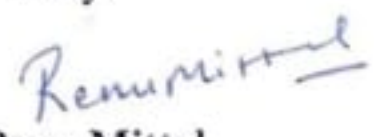

Here's how you can contribute:

- **Dates:** 26th December 2024 to 6th January 2025
- **What to Donate:** Books, stationery, clothes, grocery items, shoes, and toiletries
- **Where to Donate:** At Reception area(during college hours)
- **How to Pack:** Please ensure your contributions are neatly packed and wrapped.

Every little effort counts, and your donations, no matter how small, can bring comfort and hope to someone who needs it. Let's prove together that the true spirit of the season lies in sharing and caring for others.

Together, we can create a ripple of kindness and bring a little magic to the lives of many.
