❖ **VISION** - To be an institute that develops competent professionals with high ethics and moral values to lead the society for a peaceful tomorrow through disseminating of true knowledge, Service to mankind and to transform ordinary aspirants to extraordinary by imparting application-based education.

❖ **MISSION** - To produce technically brilliant industry professionals matching global standards where budding leaders are imparted professionalism, technical and entrepreneurial skills to adapt and excel in competitive global environment committed to the cause of humanity.

SDIET USP's

- Experienced faculty from reputed colleges like IIT/NIT/IIFT in every department.
- Expert lectures from industry professionals and widely known academicians.
- Blended Learning & Digital Technologies.
- State-of-the-art labs providing unparalleled practical exposure along with innovative teaching pedagogy.
- Regular industrial visits updating our students with latest trends
- Special soft skills sessions from 1st year onwards.
- Personalized placement assistance for all.
- 36 Acre lush green campus with 2500+ capacity Auditorium, Gym, Swimming Pool, 5-Seminar Halls, Wi-Fi.
- Newly built hostel for students.
- Limited scholarships for meritorious students and special scheme for girls.

Message From the Chairman's Desk

In today's highly competitive world, particularly in the field of education, it has become increasingly essential for educational institutions to provide their students with not only exceptional academic training but also to foster their mental, physical, and ethical

growth. At Satyug Darshan Institute of Engineering and Technology (SDIET), we strive to create an environment that encourages healthy competition and holistic development at every level. This commitment is what sets our institution apart and makes us unique in the educational landscape. The demand for high-quality education has never been greater than it is now. Recognizing this urgent need, SDIET has consistently worked towards advancing quality education through various initiatives and efforts. Our goal is to not only enhance the intellectual capabilities of our students but also to nurture strong ethical values that will empower them to excel in all aspects of life. Under the leadership of our dedicated principal and the collective effort of our entire team, we are committed to helping each student unlock their full potential, build confidence, and prepare them to face the challenges of the world with courage and determination after they graduate.

On behalf of SDIET, I assure you that your child will receive the best of academic resources, personal attention, and an enriching environment that you, as parents, aspire for.

Sh. S.K. Sachdeva
Chairman

Message From the CAO

As the Chief Administrative Officer of our esteemed educational institute, it brings me great pleasure to address you all as we embark on another enriching academic journey together. Our institute, located amidst the tranquil beauty of rural landscapes, symbolizes not just a place of learning but a nurturing ground for holistic development.

As we navigate the boundless horizons of the coming academic year, let us fortify our resolve to exemplify excellence, integrity, and benevolence in all our pursuits..

In addition to academic excellence, I urge each one of you to actively participate in the various co-curricular and extracurricular activities offered by the institute. These activities not only enhance your skills and talents but also foster teamwork, leadership, and character building.

And to our students, I say: seize the opportunities that await you, dare to dream big, and never underestimate the power you hold to make a difference.

My sincerest wishes accompany each of you as you embark on this enriching journey of selfdiscovery, growth, and enlightenment. May your aspirations be adorned with the fragrance of accomplishments, and may you continue to illuminate the world with your unwavering quest for success.

Col. Rajeev Gupta

INDUSTRIAL VISIT

January 2024

T&P Cell SDIET successfully organized an Industrial Visit for BCA DS 2nd & 3rd year students on January 29, 2024. The main objective of this industrial visit was to familiarize students with the networking domain and the functioning of network

devices, under the guidance of network expert Mr. Sandeep Kumar, a CISCO Certified Trainer. He covered key topics such as the OSI Model, IP addressing, modes of communication, and introduced students to various network protocols like TCP and UDP. Additionally, the expert took the students to the practical lab, where they gained hands-on

experience with the operation of routers, switches, hubs, and gateways.

Company Name - Network Bulls Pvt. Ltd., Gurugram

T&P Cell SDIET successfully organized an Industrial Visit for B.Tech CSE 3rd year students on January 30, 2024. The visit featured interactive technical sessions led by experienced professionals at Network Bulls, covering key topics such as routing and switching fundamentals, network security protocols, and network design and architecture. Students also participated in hands-on lab sessions, applying theoretical knowledge in a simulated environment, making it a highly enriching learning experience.

Company Name - Network Bulls Pvt. Ltd., Gurugram

February 2024

On February 16, 2024, the T&P Cell and Department of Management Studies organized an industrial visit for BBA GEN and DM 4th Sem students to Amul India Pvt. Ltd., IMT, Sector 68, Faridabad. The students were warmly welcomed

by Mr. Tridev, Plant In-charge, who gave an engaging talk on the procurement, standardization, and processing of milk, along with the production of products like milk, paneer, and sweets. A documentary on the history of Banas Dairy further enriched the learning experience. The visit proved to be an enriching and memorable experience for all.

Company Name – AMUL India Pvt. Ltd. IMT, Sector 68, Faridabad, Haryana

On February 22, 2024, the T&P Cell and Department of Management Studies organized an industrial visit for BBA GEN 2nd and GEN 4th Sem students to Coca-Cola (Moon Beverages Ltd.), Ecotech III, Greater Noida. Ms. Richa, Plant In-charge, addressed the students in an engaging and interactive manner. The visit included four informative sessions covering Coca-Cola's product range, production processes, history, and corporate social responsibility initiatives. Students also learned about the founder and the secret formula behind Coca-Cola's success. The visit emphasized the company's commitment to social awareness and empowering marginalized communities, providing an enriching experience for all.

Company Name – Coca-Cola (Moon Beverages Ltd.)

The T&P Cell, in collaboration with the Department of Management Studies, has organized an industrial visit to Coca-Cola (Moon Beverages Ltd.), Ecotech III, Greater Noida for BBA IIFSB 2nd Sem (Sec A) students on February 26, 2024. The visit will include four

informative sessions covering Coca-Cola's product range, production processes, history, and corporate social responsibility initiatives. Students will gain insights into the founder's legacy, the secret formula behind Coca-Cola's success, and the company's commitment to social awareness and empowering marginalized communities. This visit promises to be an enriching experience for all participants.

Company Name – Coca-Cola (Moon Beverages Ltd.)

On February 28, 2024, the Department of Management Studies, in collaboration with the T&P Cell, organized an industrial visit to Coca-Cola (Moon Beverages Ltd.) in Greater Noida for BBA DM 2nd and 4th semester students. The visit offered students a unique opportunity to explore Coca-Cola's operations, from production to logistics. They toured the plant, witnessing advanced automation and stringent quality control processes. The session with senior management provided insights into industry trends, corporate social responsibility, and the challenges facing global beverage companies. This visit blended theoretical knowledge with real-world application, enriching students' understanding of management concepts.

Company Name – Coca-Cola (Moon Beverages Ltd.)

March 2024

The meeting with Mr. Debojit Sen, Founder of Crack-ED, at the Car Dekho office in Gurugram was both enlightening and inspiring. We gained invaluable startup tips directly from an industry expert. Mr. Sen emphasized the importance of staying customer-centric and focusing on solving real problems for the target

audience. He also highlighted the critical role of technology in driving efficiency and innovation within startups. Beyond business strategies, Mr. Sen shared insightful thoughts on leadership, drawing comparisons between the leadership styles of Lord Ram and Lord Krishna. He stressed the importance of integrity, empathy, and strategic thinking—qualities we can all learn from these legendary figures. Overall, it was an incredible opportunity to network and gain firsthand insights into the startup world.

EVENTS & ACTIVITIES

February 2024

❖ Motivational Lecture by Mr. Debojit Sen at SDIET

On 6th February 2024, Satyug Darshan Institute of Engineering and Technology organized a motivational lecture for third-year B.Tech, BBA, and BCA students, featuring Mr. Debojit Sen, CEO of Crack-ED (a subsidiary of CarDekho.com). The session aimed to inspire and empower students, helping them improve their skills, stand out in

interviews, and expand their career opportunities, ultimately contributing to their placement success. During the lecture, Mr. Sen introduced an upcoming 40-hour course titled "Success Mantra," curated by SDIET. The event proved to be an enriching experience, providing students with the guidance and motivation needed to excel in their professional journeys.

❖ Student Presentation on Interim Budget 2024 at SDIET

On February 12, 2024, the Department of Management Studies, SDIET, hosted an engaging student presentation on the Interim Budget 2024. Students actively participated by presenting statistical data and analyzing the budget's allocation impact on various sectors. They also shared their insights on how these allocations could shape the future of the Indian economy. The session proved to be highly informative, and participants

were awarded certificates of appreciation in recognition of their valuable contributions.

March 2024

❖ Virasat 2024: A Celebration of Talent and Culture at SDIET

Satyug Darshan Institute of Engineering and Technology (SDIET), Faridabad, witnessed an electrifying celebration of culture, creativity, and camaraderie on March 9, 2024, with the grand inauguration of its annual cultural fest, Virasat 2024. The event, which brought together students, faculty, and renowned personalities, was a

resounding success, leaving a lasting impression on everyone in attendance.

The opening ceremony was graced by the distinguished presence of Prof. (Dr.) Viresh Dutta, an eminent academician from IIT Delhi, who delivered an inspiring speech that motivated the students to excel in their academic and extracurricular pursuits. Dr. Dutta emphasized the importance of a holistic education that nurtures not just technical skills but also the creative and emotional aspects of an individual. His words were a reminder of the significance of tradition and culture in shaping a well-rounded individual.

One of the most anticipated segments of the fest was the Ramp Walk, where students took the stage to showcase their fashion sense and poise. The audience cheered for their favorite participants, adding an air of excitement and glamour to the festivities.

The highlight of the evening was the live performance by renowned artist Adnan Ahmad, whose soulful voice and magnetic stage presence stole the show. His performance captivated the crowd, creating an atmosphere of pure joy and celebration. His powerful renditions of both classic and modern tracks left the audience wanting more, making it an unforgettable moment of Virasat 2024. The success of Virasat 2024 underscores the importance of such events in providing a platform for students to express their creativity, learn teamwork, and build memories that will last a lifetime.

❖ Face-to-Face Mock Interviews at SDIET by T&P Cell and Crack-ED

On March 12, 2024, the Training & Placement (T&P) Cell of SDIET, in collaboration with Crack-ED, successfully conducted Face-to-Face Mock Interviews. Industry professionals volunteered to conduct realistic mock interviews, offering personalized feedback and valuable insights to the students. The event was live streamed for the entire cohort and observe effective communication strategies and interview etiquette. The Crack-ED Success Mantra program further empowers students to confidently navigate the job search process and achieve their career goals.

April 2024

❖ Workshop on Empowering Students for the Corporate Journey

On April 5, 2024, the T&P Cell of SDIET organized a transformative workshop on "Preparation for the Corporate Journey" for 6th semester B.Tech CSE, ME, and BCA DS students. The session was led by Mr. Naresh Kumar Sharma, Specialist Engineer at

Siemens Energy, Gurugram. The session began with a warm welcome and felicitation of Mr. Sharma by Col. Rajeev Gupta (CAO, SDIET), Dr. Rinki (HoD, CSE), and Mr. Sumit Rathee (TPO, SDIET). A special thank you to Mr. Sharma for his enlightening session and to the students for their active participation.

❖ Blood Donation Camp at SDIET: A Social Welfare Initiative

In a remarkable social welfare initiative, SDIET, in association with the Red Cross

Society, successfully organized a blood donation camp, aiming to instill a sense of social responsibility among the youth and contribute to the national health reserves. The event saw the enthusiastic participation of 150 students, demonstrating their commitment to improving the well-being of citizens across the nation. The camp was meticulously organized with

strict hygiene and safety protocols, ensuring a sanitized environment for all donors.

May 2024

❖ Success of “From Code to Cloud: Building Intelligent Solutions” at SDIET

We are thrilled to share the resounding success of our recent event, “*From Code to Cloud: Building Intelligent Solutions*,” which gathered over 100 eager students. The event featured esteemed speakers including

Mr. Arpan Garg, Founder of Commudle; Ms. Ayushi Tiwari, Associate Software Engineer at RedHat; and Nikhil Shukla, GDSC Lead and MLSA (Beta). Key topics covered included Git & GitHub, Cloud Computing, and AI/ML. A dynamic panel discussion allowed students to engage with the speakers and clarify their doubts. Additionally, deserving participants were rewarded with exciting swag. The event was a vibrant exchange of knowledge and enthusiasm within the tech community.

❖ **Workshop on Persevering through Adversity for Faculty at SDIET**

The T&P Cell SDIET, in collaboration with Crack-ED (a vertical of CARDEKHO Group), organized a one-day workshop for faculty members on "Persevering through Adversity," led by Mr. Debojit Sen, Founder of Crack-ED. The session, facilitated by Col. Rajeev Gupta, focused on leadership qualities beyond power and positions. Mr. Sen emphasized key attributes such as active listening, empathy, appreciation, constructive feedback, and accountability. The workshop left attendees inspired and equipped to enhance their leadership skills and navigate challenges with resilience.
