About Satyug Darshan Institute of Engineering & Technology (FBD.)

Introduction to the Institute

Satyug Darshan Institute of Engineering and Technology (SDIET) is a distinguished higher education institution, established in 2012 in Faridabad, Haryana. As an affiliated college of J.C. Bose University of Science and Technology, YMCA, Faridabad, it maintains rigorous academic standards. Its portfolio of AICTE-approved undergraduate programmes is delivered exclusively through a full-time, on-campus model.

Academic Programmes

The institute offers a specialized curriculum in Engineering and Management Studies. Its prominent engineering degrees include a Bachelor of Technology (B.Tech.) in Computer Engineering and Computer Science Engineering & Mechanical Engineering. For management education, it provides Bachelor of Business Administration (BBA) programmes with industry-aligned specializations in Financial Services & Banking and Digital Marketing, alongside a General BBA. Additionally, it offers Bachelor of Computer Applications (BCA- Industry Integrated)

Holistic Campus Experience

Beyond academics, SDIET fosters a comprehensive development environment. The campus features modern infrastructure, including advanced computer labs, specialized workshops, and a well-resourced central library. Students benefit from a robust placement cell that facilitates industry internships and final placements. The institute actively promotes extracurricular engagement through various technical clubs, cultural committees, and sports facilities, encouraging leadership and collaborative skills.

About ICT Academy

ICT Academy (ICTACT) is a pioneering not-for-profit initiative established in 2009 under a public-private partnership involving the Government of India, state governments, and leading industry partners to enhance education quality and bridge the gap between academia and industry. Headquartered in Chennai, Tamil Nadu, India.

The Academy works through a seven-pillar program encompassing faculty development, student skill enhancement, entrepreneurship and youth empowerment, industry-institute interaction, digital empowerment, research & publications to create industry-ready graduates and promote innovation. Wikipedia+1

ICT Academy is aligned with national priorities such as Skill India, Digital India, Startup India, and Make in India, and has been recommended by NITI Aayog for its unique role in transforming education and employability across urban and rural regions.

The Academy actively promotes digital inclusion, sustainable development, and strategic transformation by equipping youth with AI-driven skills, fostering entrepreneurship, and strengthening industry-institute collaboration. Through its national initiatives, conferences, publications, and training programs, ICT Academy contributes significantly towards creating an AI-enabled ecosystem that supports sustainable growth, smart governance, and socio-economic development.

About the Conference

The Conference on AI for Sustainable Development and Strategic Transformation 2026 will bring together researchers, policymakers, industry leaders, and students to explore how artificial intelligence can drive sustainable growth and long-term strategic change. The conference will focus on practical applications of AI in areas such as climate action, smart infrastructure, healthcare, education, and responsible governance. Through keynote speeches, panel discussions, and paper presentations, participants will share innovative ideas, research findings, and real-world case studies. The event aims to encourage collaboration, promote ethical and inclusive AI practices, and inspire strategies that align technological advancement with sustainable development goals.

Conference Themes but not limited to

- AI for Sustainable Economic Growth and Resilient Societies
- AI in Smart Cities, Infrastructure, and Urban Governance
- Artificial Intelligence in Education: Future Skills and Digital Inclusion
- AI for Environmental Sustainability, Climate Action, and Green Technologies
- AI in Healthcare: Accessibility, Precision Medicine, and Public Health
- AI for Industry 4.0, Manufacturing Excellence, and Automation
- Ethical AI, Governance, Trust, and Responsible Innovation
- AI for Financial Inclusion, FinTech Transformation, and Economic Empowerment
- AI Research, Startups, Innovation Ecosystems, and Entrepreneurship Development
- AI-Driven Solutions for a Greener Tomorrow: Bridging Innovation and Sustainability

Authors Guidelines

Call For Papers

Abstracts and full papers based on original research work are invited for oral presentations and e-posters. The participants are requested to submit the full paper in the prescribed format only. Conference book of abstracts would be published online with ISBN number. Selected full papers would be published in the conference proceedings without any additional charges. The submissions should be free of plagiarism (not exceeding 10%) and should not be previously published or submitted elsewhere.

Important Note

Selected papers will be published with reputed indexed journals, but the APC charges must be borne by authors only if any. Discussion with other reputed journals for publication is under discussion as well, we will update as soon as it gets finalized. Some of the finalized journals are as under:

- ICTACT Journal on Communication Technology
- ICTACT Journal on Soft Computing
- Journal on Image and Video Processing
- Journals Micro Electronics
- Journal on Management Studies

Conference Registration with QR Code:>>

Paper submission : conference.sdiet2026@satyug.edu.in

Category	Early Bird till 15th January, 2026 (INR)	After 15th January, 2026 (INR)
Academician	800	1000
Research Scholar	500	800
Post Graduate Student	500	800
Industry	800	1000
Attendee	200	300

QR code for Payment of Registration fee:>

Important Dates

- Registration Starts from: 1st January 2026
- Paper Submission till 20th February 2026
- Notification of Acceptance by 10th March, 2026

CONFERENCE ADVISORY COMMITTEE

Dr. Ajay Sharma

Professor, Department of CSE
IPU, Delhi

Dr. Ajit Thomas

Assistant Professor,
Department of OM & QT,
IIM Bodhgaya

Dr. Ashutosh Nigam

Professor, Department of
Management Studies,
JCBOSEUST, YMCA, FBD

Dr. Deepti Bansal

Assistant professor,
Department of Management
Studies, Punjabi University,
Punjab

Dr. Kapil Kumar

Assistant Professor,
Department of Civil
Engineering
NIT, Delhi

Mr. Mukesh Maheshwari

Corporate Relations, IIM,
Ahmedabad

Dr. Naveen Saini

Assistant Professor
Department of IT, IIIT Allahabad

Dr. Priyanka Verma

Professor, Department of
Management Studies,
IIM, Mumbai

Dr. Sanchita Bansal

Assistant Professor,
Department of
Management Studies,
IPU, Delhi

Dr. Saurabh Shukla

Assistant Professor and Head of
Department, Computer Science
IIIT, Lucknow

Dr. Vinod Kumar Garg

Professor
Department of Environmental
Science and Technology, CUP,
Punjab

Dr. Virendra Ranga

Associate Professor,
Department of CSE
DTU, Delhi

AISDST -2026

Chief Patron

Prof. Rajive Kumar

Vice-Chancellor, JCBUST, YMCA,
Faridabad

Chief Patron

Mr. S. K. Sachdeva

Chairman, SDIET Faridabad

Patron

Mr. Shaleen Anand Taneja

Member of BOG, SDIET

Conference Chairman

Dr. Shailender Kumar

(Principal- SDIET)

Convener

Dr. Sanjana Kaushik

Assistant Professor- DMS

Organizing Secretaries

Dr. Munish Nagar

Dr. Deepti Goyal

Mr. Sumit Rathee

Mr. Satyendra Narayan

Organizing Team

Dr. Richa Khugshal

Dr. Mansi Rastogi

Dr. Ravi Bakshi

Ms. Nisha Arora

Ms. Vandana Sharma

For Query

Ms. Nisha Arora
