

Satyug Darshan Institute of Engineering & Technology, Faridabad

Department of Management Studies

Academic year 2025-26

Programme: BBA GENERAL	Year & Semester: 2026 & 6th
Course Name: Management Information System	Course Code: BBA/GN/605
Prepared by: Ms.Shubham Agarwal	

UNIT I

Short Answer Questions

Q.No.	Question	KL
1	Define Management Information System and its scope in organizations.	KL1
2	State the system view of business.	KL1
3	List the stages involved in the MIS development process.	KL2
4	Describe information needs at different managerial levels.	KL2
5	Outline the system approach to planning and control.	KL2

Long Answer Questions

Q.No.	Question	KL
1	Explain the role and significance of MIS in modern business organizations.	KL2
2	Discuss the MIS development process within an organization.	KL2
3	Explain the management process and its information requirements.	KL2
4	Discuss the application of system approach in planning, organizing and controlling.	KL2
5	Discuss the contribution of MIS towards organizational effectiveness.	KL2

UNIT II

Short Answer Questions

Q.No.	Question	KL
1	State the objectives of MIS planning.	KL1
2	List the key stages of MIS implementation.	KL1
3	Identify factors influencing MIS control.	KL2
4	Outline tools used for controlling MIS.	KL2
5	Mention challenges in MIS implementation.	KL2

Satyug Darshan Institute of Engineering & Technology, Faridabad

Long Answer Questions

Q.No.	Question	KL
1	Explain the planning process of Management Information System.	KL2
2	Discuss implementation strategies of MIS in organizations.	KL2
3	Analyze the role of control mechanisms in MIS.	KL3
4	Discuss the issues and risks associated with MIS implementation.	KL2
5	Examine the relationship between MIS planning and organizational goals.	KL3

UNIT III

Short Answer Questions

Q.No.	Question	KL
1	Define data processing.	KL1
2	State components of a computer system.	KL1
3	List advantages of computer-based information systems.	KL2
4	Identify types of system software.	KL1
5	Outline the purpose of flowcharts.	KL2

Long Answer Questions

Q.No.	Question	KL
1	Explain fundamentals of data processing and its importance.	KL2
2	Discuss conversion of manual systems to computer-based systems.	KL2
3	Examine components and functions of computer systems.	KL3
4	Analyze the role of application software in business operations.	KL3
5	Explain the importance of telecommunication and modems in MIS.	KL2

UNIT IV

Short Answer Questions

Q.No.	Question	KL
1	Define managerial decision making.	KL1
2	State characteristics of Decision Support Systems.	KL1
3	List components of Decision Support Systems.	KL2
4	Identify objectives of system design.	KL2
5	Outline security controls in information systems.	KL2

Satyug Darshan Institute of Engineering & Technology, Faridabad

Long Answer Questions

Q.No.	Question	KL
1	Explain the decision-making process supported by MIS.	KL2
2	Discuss characteristics and components of Decision Support Systems.	KL2
3	Analyze system design considerations in MIS.	KL3
4	Examine input, output and file design aspects in system design.	KL3
5	Discuss control and security measures in information systems.	KL2
